## CAMPAIGNING FOR A BETTER BRITAIN

Britain First is a well-organised patriotic campaigning group that can - and does - fight back effectively against the politically correct madness that has infested our society.

Britain First helps people to organise so their voices can be heard by the out-of-touch politicians who are often quick to ignore the people who elected them - people like you!

Britain First is a volunteer-led group that wants to empower the man and woman on the street and to ensure that British families are no longer treated like second class citizens. It's time that decent, law-abiding, hard-working Brits had their voices heard!

Isn't it time we took our country back? Take the first step by calling Britain First, today! Please ring 0208 914 8212 or visit [www.britainfirst.org](http://www.britainfirst.org)

## WE DEMAND OUR REFERENDUM

[www.britainfirst.org](http://www.britainfirst.org)

# Say NO to EU rule!

However, since we were tricked in 1975 to give full backing to the European Union (EU), foreigners have made 80% of our laws, and our national parliament is now subservient to un-elected EU bureaucrats based in Brussels.

 We were promised a referendum on the EU constitution - but so far have been denied it. 80% of our laws are made by bloated bureaucrats in Brussels - our own government is subservient to the European Union. We must withdraw from the EU to allow *us*, the British people, to decide our own affairs.

 As a member state of the EU, we have no control over our borders. Britain is an open door for mass immigration - this means that immigrants and asylum seekers are flooding into our already overcrowded country.

 Whilst we face painful budget cuts here in the UK, we send huge sums of our money to the EU whilst our pensioners freeze in winter. This money could be spent here on the elderly, the armed forces and the NHS.

 Our agricultural and fishing industries have been decimated by European Union policies designed to favour our EU competitors. By withdrawing from the EU we would permit our farming and fishing fleets to prosper, whilst stopping our natural resources being plundered by Europe.

 Did our fathers and grandfathers sacrifice in the First and Second World Wars only to see our treacherous politicians surrender our freedom, sovereignty and independence behind our backs. It is time to take our country back!

Britain First is a campaigning organisation, rather than just another political party. Britain First is here to help you make your voice heard. Instead of campaigning to get someone elected, we are here to help make sure that politicians are made to

listen to what *you* really want! By getting involved with us you can take action to stop Europe ruling Britannia, adding your name to thousands of others who want something done. Alone, your voice is lost, but *together* we can make real progress on this issue.
